Explanation of Response for Assertion 10

Whilst the Council has addressed some of the requirements relating to Assertion 10, further work is ongoing.

1. The Clerk now has a .gov.uk email address in place.
2. An IT Policy has been formally adopted.

Website

The Council acknowledges that the website is not yet fully compliant with accessibility requirements. Quotations have been obtained for the redevelopment of the website, alongside the provision of .gov.uk email addresses for councillors. This has now been approved, and the Clerk is in the process of formalising the agreement.

Data Protection

Whilst the Council has adopted a Data Protection Policy, further work is required to ensure full compliance with current guidance. The Clerk will therefore arrange for a comprehensive data audit to be undertaken.

The clerk attends regular training sessions; however, the council is to organise training for its members.
